

Friday 22nd March 2019

Għezież Membri,

Breeds of Origin ser jorganizzaw taħdita dwar tgħammir tar-irġejjen. It- taħdita se tkopri Introduzzjoni għat-trobbija tan-naħal, it-trobbija tar-reġina, l-ittestjar tal-prestazzjoni u l-Inseminazzjoni Strumentali tal-irġejjen. Din l-attività hija kkoordinata mal-Malta Beekeepers' Association għall-konservazzjoni tan-naħal Malti *Apis mellifera ruttneri*.

Data: 29/03/2019 @ 19:00 Kunsill Lokali ta L-Imġarr

Dear Members,

Breeds of Origin Conservancy are going to organize a lecture on Honey Bee Breeding. The session will cover an Introduction to Bee breeding, Queen rearing, performance testing and Instrumental Insemination of queens. This event is coordinated with the Malta Beekeepers Association in a joint effort for the conservation of the Maltese honey bee *Apis mellifera ruttneri*.
